## Mahindra Auto sells 26632 SUVs and 53726 vehicles overall in May 2022; registers an overall growth of 208% over last year

**Mumbai, June 1, 2022:** Mahindra & Mahindra Ltd. (M&M Ltd.), one of India’s leading automotive companies, today announced that its overall auto sales for the month of May 2022 stood at **53726** vehicles.

In the Utility Vehicles segment, Mahindra sold **26632** vehicles in May 2022. The Passenger Vehicles segment (which includes UVs, Cars and Vans) sold **26904** vehicles in May 2022. Exports for the month were at **2028** vehicles.

In the Commercial Vehicles segment, Mahindra sold **21149** vehicles in May 2022. All the Light Commercial Vehicle Segments of <2T, Pickups (2T to 3.5T), >3.5T and the heavy commercial vehicles continued their growth trajectory in May 2022.

According to **Veejay Nakra, President, Automotive Division, M&M Ltd.**, “With sales of 26632 SUVs in May, we continued the growth momentum with all our brands performing well including XUV700 and Thar. We are witnessing strong bookings and have a robust pipeline. We announced the launch of Scorpio-N, which is generating very high interest levels and promises to be yet another blockbuster from Mahindra. Our Commercial Vehicles have also registered strong growth across segments. We are closely monitoring the supply chain related issues, which continue to constraint volumes and are taking appropriate actions to mitigate the impact.”

Press Release

**Mahindra’s Farm Equipment Sector Sells 34153 Units in India during May 2022 registering a growth of 50%**

**Mumbai, June 1, 2022:** Mahindra & Mahindra Ltd.’s Farm Equipment Sector (FES), part of the Mahindra Group, today announced its tractor sales numbers for May 2022.

Domestic sales in May 2022 were at **34153** units, as against **22843** units during May 2021.

Total tractor sales (Domestic + Exports) during May 2022 were at **35722** units, as against **24184** units for the same period last year.

Exports for the month stood at **1569** units.

Commenting on the performance, **Hemant Sikka, President - Farm Equipment Sector, Mahindra & Mahindra Ltd.** said, “We have sold 34153 tractors in the domestic market during May ’22, a growth of 50% over last year. This is on the back of 51% growth achieved in the month of April ’22. With the timely arrival of the south-west monsoon and forecast of a normal monsoon, kharif crop is expected to deliver record production. Food prices continue to be high, ensuring better remuneration for farmers for their produce, creating a positive sentiment and higher demand for tractors and agri implements. In the exports market, we have sold 1569 tractors, a growth of 17% over last year.”
